COACHES' CLINIC

Pupil Activation Validation (PAV) certification classes

Tuesday, June 4 • 6:30 p.m.–9 p.m.

at Fairfield Medical Center,

Mid-Level, GME Classrooms

401 N. Ewing St. • Lancaster, OH 43130

The Ohio Department of Education (ODE) and the Ohio High School Athletic Association (OHSAA) mandates all parties who supervise, direct or coach a student activity program to have a Pupil Activity Validation (PAV) certificate. Participants will learn how to assess life threatening and non-life threatening injuries, as well as basic injury management and prevention. CPR Certification will be provided. Other general adolescent health and safety issues will also be covered such as: first aid, sudden cardiac arrest and concussion training.

**To learn more, attend one of the free certification clinics
or visit us online at fmchealth.org.**

**FMC Sports Medicine Affiliates will receive
PAV and CPR certification free of charge.
Non-affiliates will be charged a \$20 fee at
time of event.*
