# Athletic Department Philosophy

- Purpose of Education-Based athletics - to enrich a student's educational experience.
- Athletics - not separate from the educational process, but a key part of the process.
- Students participate in HS athletics, not for the exposure, but to develop into tomorrow's community leaders. (88%/94%)
- HS sports exist to prepare students for the next level of life.

# PURPOSE

## Goal

Our Goal is to win...everyday we play, plan and prepare to win. That is not our Purpose. Our Purpose is the human growth and development (physical, social, emotional) of the students who participate in our programs and connecting them to caring adults in their academic community.

A group of basketball players in white jerseys and dark shorts are celebrating on a basketball court. They have their arms raised in the air, and some are holding a basketball. The background shows a basketball hoop and a crowd of spectators.

**The educational component of Interscholastic athletic programs makes it unique.**

**Other non-school organizations:**

1. Promote free player movement
2. Promote the athletic development of the individual.
3. Provide a showcase for those individuals.

# Interscholastic Athletics:

- Students academic achievement and success take priority over athletic achievement and success.
- The success of a team is more important than individual awards.
- Participation is a privilege, not a right.

OHSAA eligibility rules exist to help maintain competitive balance in school sports and to promote the purpose of education-based athletics.

As a student-athlete, YOU are responsible for your compliance.

Besides OHSAA regulations, the Lancaster City Schools have also established additional academic standards and codes of conduct.

## ❖ General OHSAA Eligibility Standards

- You must be officially enrolled in an OHSAA member school, or participating in accordance with state law, AND you must have both parents living in Ohio (or the parent with custody, due to divorce or having never been married, lives in Ohio).
- You will not be eligible if you are competing under a false name or have provided your school with an incorrect home address.
- You will not be eligible if you have been recruited to attend this school.

# ELIGIBILITY

\*\*For the first grading period of 2020, all athletes are academically eligible, regardless of academic performance during the spring of 2019 (COVID – 19)

## • Credits

- OHSAA requirement
- Based on 9 week grades
- Grades 9-12  
5 credits
- Grades 7-8  
4 courses

## • GPA

- LCS Board of Ed. requirement
- Based on 9 week grades
- 1.75 LHS
- 1.75 TE/GS

\*All incoming 7<sup>th</sup> graders (in the fall) are eligible insofar as the scholarship bylaw regardless of previous academic achievement.

# ELIGIBILITY

Waiver

Can be used one time

**ONLY** for GPA

# OHSAA Scholarship Standards

- Students taking College Credit Plus must comply with OHSAA scholarship standards.
- All students participating via state law that permits home educated, non-public, community, and STEM school students to participate at public schools must also comply with OHSAA scholarship standards.
- Semester, yearly and summer school grades have no effect on OHSAA eligibility.

▪If you drop a course or change your schedule, it is critically important that you contact your athletic administrator to see if this affects your eligibility.

▪No high school student will be eligible if he or she has been enrolled in high school for more than 8 semesters.

▪No 7<sup>th</sup>-8<sup>th</sup> grade student will be eligible if he or she has been enrolled in 7<sup>th</sup>-8<sup>th</sup> grade for more than 4 semesters.

- High school students will be ineligible when they turn 20 years old.
- 7<sup>th</sup> and 8<sup>th</sup> grade students who turn 15 before August 1<sup>st</sup> are also ineligible for 7<sup>th</sup>-8<sup>th</sup> grade sports but ARE eligible to participate in high school athletics.
- You will become ineligible if you participate with a non-school team in the same sport during your school team's season (example: travel/summer Baseball or Softball during school season).

Once eligibility has been established at a member high school and you transfer to another school, you will be ineligible after the first 50% of the maximum allowable regular season contests have been competed. Furthermore, no transfer student who does not meet an exception to the transfer bylaw shall be eligible to participate in any OHSAA sponsored tournaments .

Should you have transferred to this school, you must ensure all required paperwork has been submitted to the OHSAA AND the state office has granted approval for eligibility.

Immediate eligibility will be granted only if one of the exceptions (11) to the OHSAA transfer bylaw has been met.

# CODE OF CONDUCT

- **Conduct/Expectations** – Participation on an interscholastic team is a privilege, not a right, and should be treated as such. It has many benefits and brings with it a responsibility to be a positive and effective member of the team, school and broader community. High school student-athletes are expected to represent themselves, their teams and their schools with honesty, integrity, and character whether it be academically or socially. Student-athletes often are in the spotlight and, fair or not, their behavior is subject to scrutiny by their peers, members of the high school community, local and national communities and the media.

- The actions of one student-athlete may result in the generalization of all student-athletes and reflect on the individual, team and school whether it be positively or negatively. Any conduct that results in dishonor to the athlete, the team or the school will not be tolerated. Student-athletes who do not conform to the code of conduct may be subject to consequences for their actions that may include but are not limited to a warning, suspension from participation, dismissal from the team, etc. The code of conduct is in effect for all student-athletes 12 months of the year.

# Alcohol/Tobacco/Drugs –

Together with the Ohio High School Athletic Association, the Lancaster City Schools Board of Education recognizes that the use and abuse of tobacco, alcohol and other drugs have a negative effect on behavior, learning, athletic development and performance of the student-athlete.

In addition, the use and abuse by an athlete affects teammates, family members and other significant members of his/her life.

The Board has established this year-round policy in regards to tobacco, drugs and alcohol use.

An athlete may not possess, consume, distribute, or sell tobacco products (Nicotine in any form), alcohol, drugs, controlled substances, inhalants (vape-pens, e-cigarettes, juuls) look-alikes and/or other illegal substances, including drug paraphernalia and over the counter or prescription drug (not prescribed to the athlete).

An athlete may not remain in the proximity of illegal alcohol or drug use. An athlete will be considered “in the *proximity*” if they do not remove themselves from the place where alcohol/drugs are being used illegally. Athletes may call a parent, relative, coach, school administrator, or the athletic director to be removed from the situation.

- ✓ Admission to violation
- ✓ Non-admission to violation
- ✓ Counseling
- ✓ Non-counseling
- ✓ Voluntary Referral

**Admission to violation:** Athlete freely admits to violation of specific incident. An athlete will be given only one opportunity to freely admit during an investigation.

	First Violation	Second Violation	Third Violation
Consequence with Counseling	Denied privilege of Participation in 10% of scheduled games. 1 game minimum.	Denied privilege of Participation in 50% of scheduled games. 4 game minimum.	Denied privilege of Participation for remainder of high school/junior high career.
Consequence without Counseling	Denied privilege of Participation in 50% of scheduled games. 4 game minimum.	Denied privilege of Participation for 1 calendar year from date of violation.	Denied privilege of Participation for remainder of high school/junior high career.

Example: 10% denial for an athlete whose sport has 20 games in the regular season = 2 game suspension

Thereafter, which means no earlier than the next day, the coach or contest officials shall not permit the student to return to practice or competition until both of the following conditions are satisfied :

1) The student's condition is assessed by a physician, who is a person authorized to practice medicine, osteopathic medicine or surgery (M.D. or D.O.)

2) The student receives **written authorization** that it is safe for the student to return to practice or competition from a physician.

# **Lindsay's Law - Sudden Cardiac Arrest (SCA) in youth athletes**

<https://www.youtube.com/watch?v=s-YfCWQPeqw&feature=youtu.be>

## Performance Enhancing Supplements:

- The increased availability of these items allows students easy access to a wide variety of products aggressively marketed to include promises – endorsed by faulty research claims – of extraordinary weight loss, explosive power or tremendous strength gains.
- It is important for parents to educate themselves about what substances their child may be using and about the potential risks involved with uneducated supplement use.

# Insurance

It is the responsibility of the parent/guardian to provide medical insurance for the athlete. Lancaster City Schools does NOT offer medical insurance for athletic injuries. The OHSAA does provide insurance for catastrophic injuries incurred during a school related practice session or contest, but only as a secondary insurance when personal insurance is exhausted. Student Insurance can be purchased for the school year by following the link on the LCS website [www.lancaster.k12.oh.us](http://www.lancaster.k12.oh.us)
