## **Lancaster City Schools Vision Statement**

Lancaster City Schools will prepare, inspire, and empower all students to be life-long learners and socially responsible citizens who are able to communicate and meet the challenges of an ever-changing global society.

## **Lancaster City Schools Mission Statement**

Lancaster City Schools, the Place to Be for Learning, Caring, Succeeding

## **Athletic Department Philosophy**

The purpose of interscholastic athletics is to enrich a student's educational experience. Our athletic programs will develop athletic skills, encourage good citizenship and pride in community, challenge intellectual skills as an extension of the classroom, and teach the value of teamwork. Athletics are not separate from the educational process, but rather an integral part of it. The lessons learned on the fields and courts are lessons in competition, sacrifice, teamwork, self-discipline and goal setting. These lessons remain with a student for a lifetime.

The Athletic Department is committed to developing successful athletic programs. The programs are committed to providing a challenging, competitive environment in which the ideals of sportsmanship, personal integrity, moral character, and teamwork are stressed while the opportunity for a student-athlete to develop their athletic skills to their fullest potential exists. One Participates in high school athletics, not for exposure, but to develop into tomorrow's community leaders. High school sports, unlike college and professional sports do not exist to entertain us. High School sports exist to prepare students for the next level of life...not the next level of sports.

## **Program Goals**

1. To encourage athletes to reach high levels of academic achievement.
2. To encourage team and individual confidence, effort and performance.
3. To encourage the ability to meet challenges and develop leadership.
4. To encourage desirable habits of conduct and self-discipline.
5. To provide an opportunity to exemplify fair and good sportsmanship.
6. To provide disciplinary training which teaches obedience, loyalty, team play, personal pride, respect for the rights of others, and the will to win.
7. To develop athletes who are sound in fundamentals and proficient in skill areas.
8. To develop athletes who will accept and carry out responsibility.
9. To develop athletes who have high moral and ethical standards.
10. To provide positive athletic experiences and develop athletes who are proud to be members of a "GOLDEN GALE" athletic team at LHS, Thomas Ewing and General Sherman.

### Codes/Responsibilities/Information

#### Section 1. Eligibility

- A. All athletes must meet the requirements for eligibility as set forth by the OHSAA and the Lancaster City School Board of Education. A student becomes an athlete upon participating in the first scheduled day of coaching instruction for a sport. **Any student grades 9-12 new to the district must schedule an appointment with the Athletic Director to verify eligibility.**
- B. OHSAA requirements: (By-law 4-4-1) In order to be eligible in grades 9-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding grading period. During the preceding grading period, the student must have received passing grades in a minimum of five one-credit courses or the equivalent, which count toward graduation.
- C. OHSAA requirements: (By-law 4-4-3) The eligibility or ineligibility of a student continues until the start of the fifth school day of the next grading period, at which time the grades from the immediately preceding grading period become effective. For the purposes of this Bylaw, "school day" includes faculty in-service days, calamity days and regular school attendance days but not holidays or school breaks.
  - Exception 1: Eligibility or ineligibility for the first grading period commences with the start of the fall sports season.
  - Exception 2: A student coming off the "ineligible status" may become eligible 24 hours after the mandatory grade reporting date established by the Board of Education.
- D. OHSAA requirements: (By-law 4-4-4) A student enrolling in the seventh grade for the first time will be eligible for the first grading period regardless of previous academic achievement. Thereafter, in order to be eligible, a student in grade 7 or 8 must be currently enrolled and must have been enrolled in school the immediately preceding grading period and received passing grades during that grading period in 5 classes carried during the preceding grading period in which the student was enrolled.
- E. OHSAA requirement: (Bylaw 4-4-4) A student enrolled in the first grading period after advancement from the 8<sup>th</sup> grade must have passed a minimum of 5 of all subjects carried the preceding grading period in which the student was enrolled.
- F. Lancaster Board of Education requirements:
  1. Grades 9-10-11-12 GPA minimum 1.75
  2. Grades 7-8 GPA minimum 1.75
- G. GPA for eligibility is calculated on 9 week period grades. It is not determined by cumulative GPA.
- H. GPA of 9 week grades preceding sport participation determines eligibility.
  - (Exception – 7<sup>th</sup> grade students entering 1<sup>st</sup> nine weeks)
- I. An athlete who fails to meet the GPA minimum may request a WAIVER to reinstate eligibility. The waiver must be signed by the parent/guardian and can only be used one time at grade levels 7 and 8 and used only one time at grade levels 9-10-11-12.
- J. No athlete will make a schedule change (drop or add classes) without receiving approval of the Athletic Director and/or head coach. It is the responsibility of the athlete to know if they are taking enough classes to earn 5 credits.
- K. Athletes may practice with their team with the approval of the head coach during periods of academic ineligibility.
- L. Attendance at summer school will not make an athlete eligible the following school year.

## Section 2. **Code of Conduct**

Student-athletes are highly visible representatives of the Lancaster City Schools.

By agreeing to participate in interscholastic athletics at Lancaster, students are expected to understand and abide by the Code of Conduct.

It is required that students participating in athletic activities become familiar with and understand the rules and regulations required of students participating in athletic activities within the Lancaster City School District.

### A. **Student/Athlete Discipline:**

- 1) Students participating in athletic programs are required to abide by the rules and policies as set forth in the code of conduct at all times. Students who violate the code may be subject to disciplinary action including, but not limited to suspension, expulsion or emergency removal from school in addition to athletic consequences. Student-athletes must abide by the rules regardless of whether or not the student is on school grounds, attending a school function or activity, on private property or at a private party. Behavior that occurs off school property but is connected to activities or incidents that have occurred on school property, or actions, regardless of where they occur, that are directed at a Lancaster City school official or employee, or the property of such official or employee may also be subject to the disciplinary actions listed above. **Any conduct serious in nature which is a violation of local, state, or federal law may cause the athlete to be declared ineligible by the administrative office. An athlete charged with a crime who is awaiting a court hearing may be deemed ineligible to participate until the case is heard.**
- 2) The Superintendent, other district administrative personnel, or personnel employed by the district to direct, supervise, or coach a pupil activity program may prohibit a student from participating in any particular or all extracurricular activities for such period of time as the person implementing the prohibition determines to be appropriate. Unless otherwise provided in any specific rules governing the particular extracurricular activity, prohibition from participation in extracurricular activities does not trigger the same notice, hearing and appeal procedures that apply to suspension, expulsion or emergency removal of students from school. **Any conduct in violation of any criminal status or any gross misconduct which is substantially likely to have adverse impact on Lancaster High School or the Athletic program may cause immediate removal from the team for the remainder of the season.**

### B. **Expectations:**

Participation on an interscholastic team is a privilege, not a right, and should be treated as such. It has many benefits and brings with it a responsibility to be a positive and effective member of the team, school and broader community. High school student-athletes are expected to represent themselves, their teams and their schools with honesty, integrity, and character whether it be academically or socially. Student-athletes often are in the spotlight and, fair or not, their behavior is subject to scrutiny by their peers, members of the high school community, local and national communities and the media. The actions of one student-athlete may result in the generalization of all student-athletes and reflect on the individual, team and school whether it be positively or negatively. Any conduct that results in dishonor to the athlete, the team or the school will not be tolerated. Student-athletes who do not conform to the code of conduct may be subject to consequences for their actions that may include but are not limited to a warning, suspension from participation, dismissal from the team, etc. The code of conduct is in effect for all athletes 12 months of the year. **An athlete denied the privilege to participate is also denied the privilege to attend any Lancaster athletic contest during designated denial of participation unless approved by the building principal or designee.**

**C. Tobacco, Alcohol, Drug Violations/Consequences**

Together with the Ohio High School Athletic Association, the Lancaster City Schools Board of Education recognizes that the use and abuse of tobacco, alcohol and other drugs have a negative effect on behavior, learning, athletic development and performance of the student-athlete. In addition, the use and abuse by an athlete affects teammates, family members and other significant members of his/her life. The Board has established this year-round policy in regards to tobacco, drugs and alcohol use.

- 1.) An athlete may not possess, consume, distribute, or sell tobacco products (nicotine in any form), alcohol, drugs, controlled substances, inhalants, look-alikes and/or other illegal substances, including drug paraphernalia and over the counter or prescription drug (not prescribed to the athlete).
- 2.) An athlete may not remain in the proximity of illegal alcohol or drug use. An athlete will be considered “in the *proximity*” if they do not remove themselves from the place where alcohol/drugs are being used illegally. Athletes may call a parent, relative, coach, school administrator, or the athletic director to be removed from the situation.

**Admission to violation:** Athlete freely admits to violation of specific incident. An athlete will be given only one opportunity to freely admit during an investigation.

	First Violation	Second Violation	Third Violation
Consequence with Counseling	Denied privilege of Participation in 10% of scheduled games. 1 game minimum.	Denied privilege of Participation in 50% of scheduled games. 4 game minimum.	Denied privilege of Participation for remainder of high school/junior high career.
Consequence without Counseling	Denied privilege of Participation in 50% of scheduled games. 4 game minimum.	Denied privilege of Participation for 1 calendar year from date of violation.	Denied privilege of Participation for remainder of high school/junior high career.

Example: 10% denial for an athlete whose sport has 20 games in the regular season = 2 game suspension

**Non-admission to violation:** Athlete does not freely admit and investigation concludes the athlete was in violation.

	First Violation	Second Violation	Third Violation
Consequence with Counseling	Denied privilege of Participation in 20% of scheduled games. 2 game minimum.	Denied privilege of Participation for 1 calendar year from date of violation.	Denied privilege of Participation for remainder of Jr./High School career.
Consequence without Counseling	Denied privilege of Participation in 50% of scheduled games. 4 game minimum.	Denied privilege of Participation for remainder of Jr./High School career.	

## **VOLUNTARY REFERRAL**

An athlete, his/her coach, or parent/guardian may make a “voluntary referral” if it is strongly felt an athlete’s academic, athletic, and social life is being affected by the abuse of alcohol, tobacco, or illegal drugs. A voluntary referral can be made with no consequences if the referral is made without the intended purpose of not being denied participation because of a specific violation that has been, is, or will be investigated by the school administration. A recommendation of counseling services will be made to the athlete and his/her parent/guardian.

### **D. Other Violations**

#### **1. Theft:**

#### **2. Vandalism**

#### **3. Hazing**

a.) All hazing by athletes is prohibited while participating in any athletic contest, practice, meeting, or activity. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation toward any student or other organization that causes or creates a substantial risk for causing mental or physical harm to any person. No athlete shall plan, encourage, or engage in any acts of physical or mental harm to any person.

b.) Penalty for hazing violation will be a minimum of 1 game denial of participation to a maximum of denial to participate for the remainder of the season.

#### **4. Sexting, Texting, and Emailing**

Posting of inappropriate materials (pictures, language, messages, etc.) on web pages or social network forums is not acceptable. Any and all such material must be monitored and maintained by the student-athlete. A student-athlete shall not, by any means, possess pornographic materials in any form.

#### **5. Social Networking**

Participation in social network sites such as Facebook, Myspace, Twitter, and other digital platforms and distribution mechanisms that facilitate communication has both positive appeal and potentially negative consequences. The Lancaster Athletic Department supports and encourages the use of social network sites as a platform for individual expression and free speech. Student-athletes are not restricted from using any on-line social network sites and digital platforms. However, users must understand that any content they make public via on-line social networks or digital platforms must comply with all policies, rules and regulations of the Lancaster Athletic Department and the OHSAA rules and regulations, as well as with federal, state and local law. Student-athletes must recognize the power of public media domains and the potentially negative image that they can portray about student-athletes, coaches, the athletic program and school district. Student-athlete violations of athletic policy (e.g., harassing language, drug or alcohol policy violations, etc.) evident in the content of on-line social networks or digital platforms are subject to investigation and sanction under the athletic code of conduct, and could be subject to the authority of law enforcement agencies. Student-athletes must be aware of these consequences and exercise appropriate caution if they choose to participate in social networking platforms.

#### **6. Violating Team Rules:**

All athletes are expected to follow all team rules as set forth in writing by the head coach.

**7. Physical Confrontations:**

Initiating, instigating, or willfully participating in a physical confrontation before, during, or after an athletic contest will result in a minimum one contest denial to participate to a maximum of denial to participate for remainder of season.

**8. Ejection From Contest:**

OHSAA sports regulation 12.1

- a.) Denial for the next two contests (one for football)
- b.) Second offense: Denial for remainder of season

**Any violation of codes 1-8 listed above, in-season or out-of-season, will result in a penalty which may consist of a warning to denial of participation for the remainder of the student's athletic career. In the event that the Athletic Code of Conduct or other school policies or procedures do not cover situations that arise, the administration reserves the right to establish such rules, conditions, and penalties to respond effectively to unanticipated or unique circumstances.**

**Points of Clarification**

**A. School Discipline Suspensions:**

1. *Out of School Suspension (OSS)*: Athlete is denied the right to participate in practice, meetings, and contests during the term of the suspension.
2. *In-School Suspension (ISS)*: Athlete may participate in practice, meetings, and contests during the term of the suspension

**B. Repeat Offenses:**

Repeated violations of code of conduct and team rules, except as designated, may result in denial to participate for remainder of a sport season or remainder of present school year.

**C. Appeals:**

Athletes may appeal to have a hearing for any denial to participate.

The hearing will be held with, but not limited to, the Athletic Director, Associate Principal, Assistant Principal and the Building Principal or designee. The decision of the Building Administration and/or its committee is final.

**D. This policy is effective year-round and conclusive through grades 7-8 and again for grades 9-12.**

**E. "Denied Privilege" percent (%) of scheduled games is defined as games scheduled for a sport's season excluding League and OHSAA tournaments.**

**F. Practice and participation during "denied privilege" period is at the coaches' discretion.**

**G. Counseling: Athlete must attend counseling sessions with a drug/alcohol counselor that is approved by the school administration. (LCS not financially responsible for counseling.)**

**H. Violation enforcement:**

- a.. If violation is discovered during the in-season, the enforcement will take place during the in-season and if necessary carry into the next sport season of participation.
- b.. If the violation is discovered in the off-season the enforcement will occur in the next sport season of full and complete participation, fulfilling the requirements of that season and remaining in good standing with the in-season coach and athletic director.

**I. During academic ineligibility, an athlete may (at the discretion of the coach) practice with, travel with and sit on the team bench (in street-clothes)**

During code of conduct ineligibility, an athlete may (at the discretion of the coach) practice with the team, but cannot travel with the team nor sit on the team bench unless permission is granted by the building principal or designee.

### Section 3. **School Absence**

- A. A student must be in school  $\frac{1}{2}$  of the school day to participate in practice or contest. This requirement may be waived by the Athletic Director or Building Principal for some excused absences (Example: Funeral). This absence must be approved in advance by building principal or Athletic Director. In emergency cases, a phone call must be made to the athletic office.

### Section 4. **Physicals**

All athletes must have a physical to participate in any practice, organized team instruction, conditioning session or contest.

### Section 5. **Insurance**

It is the responsibility of the parent/guardian to provide medical insurance for the athlete. Lancaster City Schools does NOT offer medical insurance for athletic injuries. The OHSAA does provide insurance for catastrophic injuries incurred during a school related practice session or contest, but only as a secondary insurance when personal insurance is exhausted.

### Section 6. **Equipment**

Athletes are responsible for equipment issued to them. Failure to return issued equipment will result in loss of awards, payment for replacement cost, and grade reports/transcripts/diploma's not being released. Athletes may not be issued uniform for subsequent teams until past uniform is returned or paid for.

### Section 7. **Participation Fee**

All athletes are required to pay the participation fee as set by the Board of Education to be a member of a team. The fee is due before the first contest is played of a sport season. An athlete may not participate in a contest until the fee is paid. No fees will be returned after an athlete has participated in a scrimmage or contest. The participation fee is waived for any athlete who presents written documentation of being eligible for ADC (Aid to Dependent Children) or ODA (Ohio Disability Assistance).

### Section 8. **Overnight Trips**

- A. All contests played, necessitating overnight stays, will follow OHSSA regulations.
- B. All overnight trips are subject to the approval of the Building Principal, Superintendent and Board of Education.

Many of the values of teamwork, sportsmanship, integrity, ethics, goal setting, self-discipline, leadership, self-confidence, loyalty, responsibility, respect, and skill development are developed by team participation and not necessarily by earning a starting position in the lineup. These values and experiences remain with your son/daughter for a lifetime. Constructive encouragement and support to be the best athlete possible will lead to a positive experience for your son/daughter.
- D. Support the coaching staff in public and with other parents and fans. Understand there is a time and place to discuss questions you may have about your son/daughter's participation and that it should be done in a calm and rational manner and never in public. *Constant criticism of a coach to your son/daughter only gives them an excuse to not work hard in practice and improve their skills. Understand the goals for the team and athletic program may supersede the hopes and dreams you have for your son/daughter.*
- E. Do not constantly criticize the play or skills of your son/daughter. They know when they have not performed well and the coaching staff will correct mistakes. *Athletes need encouragement from parents/guardians, not constant criticism.*
- F. Participate as members of the parent support groups for athletic teams. Volunteering to assist in projects is essential to the success of our athletic programs.
- G. Do not constantly criticize officials. Accept that officials will make mistakes. The number one reason officials quit officiating is constant criticism from parents and fans.

#### Section 4. **Parent Support Groups**

- A. Each head coach may organize a parent support group with the approval of the Athletic Director. The purpose of the group will be to financially assist the sports program. The group shall have a constitution and by-laws that govern the group. Actions and fund raisers of the group are subject to the approval of the Athletic Director, Building Principal, Superintendent, and Board of Education.
